Important Information:
In the event of injury, no personal injury insurance cover is provided by the NSW Department of Education and Communities for students in relation to school sporting activities, physical education lessons or any other school activity. Parents and caregivers are advised to assess the level and extent of their child’s involvement in the sport program offered by the school, district, region and state school sport associations when deciding whether additional insurance cover is required. Personal accident insurance cover is available through normal retail insurance outlets.

The NSW Supplementary Sporting Injury Benefits Scheme, funded by the NSW Government, provides limited cover for serious injury resulting in the permanent loss of a prescribed faculty or the use of some prescribed part of the body. Further information can be obtained from www.sportinginjuries.com.au
